

Brief about the ACT2MOVEMENT

African Baptist Youth:

Witness Path: Rise boldly to share your story of Christ with the world—because one testimony can change a life, and together we can transform generations for Jesus by 2033.

Neighbor Path: Your neighborhood is your mission field—shine the light of Christ through love, compassion, and intentional witness to those around you.

Bible Path: Stand in the gap through prayer and sacrificial giving to support Bible translation efforts so that every people group may hear and receive God’s Word in their own language.

Freedom Path: Rise as bold advocates for religious freedom—praying, speaking, and standing for persecuted believers so that every person may worship Christ freely without fear.

Care Path: Join the Acts2Movement and be part of mobilizing 1 billion acts of service by 2033—live the Gospel through love and action today!

As we approach the year 2033 and mark two thousand years since the birth of the Church, Acts 2 remains the divine blueprint for reaching the nations. The Acts 2 Movement represents the united mobilization of the Baptist family in prayerful expectation of a global Pentecost—one that brings spiritual renewal to the Church and advances a holistic witness of the Gospel throughout the world.

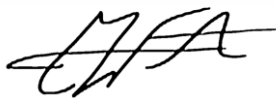

As African Baptist Youth gather for the African Youth Day of Prayer, the Acts 2 Movement reminds us that reaching the world for Christ begins with prayer, obedience, and action. Through the Bible Path, Witness Path, Care Path, Neighbor Path, and Religious Freedom Path, every young person is called to become a voice for the Gospel and a light to the nations.

As we approach this important day, may Baptist churches and youth fellowships throughout Africa unite in prayer and commitment to the advancement of God’s Kingdom.

May this occasion inspire a fresh generation of Baptist youths who will serve Christ faithfully, uphold Baptist convictions boldly, and take the message of salvation beyond Jerusalem to the nations of the world.

May the Lord bless every effort made toward the success of this continental youth day of Prayer.
